UPGRADED CLASSROOMS AND FACILITIES FOR GLADSTONE PARK PRIMARY SCHOOL

Gladstone Park students now have bigger, better classrooms and school facilities to learn in, thanks to the Andrews Labor Government.

Member for Sunbury Josh Bull today visited Gladstone Park Primary School to open its \$2.5 million upgrade, which includes a neighbourhood cluster with four classrooms, teacher workspaces, withdrawal spaces and learning resources storage.

Principal Tony Malgioglio took Mr Bull on a tour of the school's brand new facilities accompanied by the school's proud student leaders.

In the past seven years, the Victorian Government has invested more than \$10.9 billion in building new schools and more than 1,700 school upgrades, creating around 13,500 jobs in construction and associated industries. It is now ahead of schedule in its commitment to open 100 new schools by 2026, with 62 new schools opening between 2019 and 2024.

The Labor Government is building the Education State so that every student can access a great local school and a quality education.

Quotes attributable to Member for Sunbury Josh Bull

"It's important that all schools in Victoria have great classrooms and places to learn."

"This Government is ensuring local students are given every chance to succeed."

"These upgrades are part of the school building boom that is happening right across the Sunbury electorate and across Victoria."
